

Public Relations Committee

Minutes

5-13-20

Public Relations committee held its first meeting this year. Those present are Dr. Brown, Tammy Mahoney, Superintendent Thomas Ambrose and Larry Heath. The required proclamation was read by Tammy Mahoney.

Tammy called the meeting to Order and the first order of business was the selection of a Chairman. Dr. Brown nominated Tammy; Larry nominated himself. Larry was elected as chairman.

Tammy will continue to keep the public informed of meeting and information of the School board on social networking system.

Discussion was held on goals for this year, it was decided that we would send out a letter 4 times a year letting the public know what is happening in SAU17. This letter we hope will be sent out from the school board with all their names signed.

We are looking at these items:

1. Budget Letter
2. School opening letter
3. SCLC
4. To be determined

We are looking for ways to improve the Annual Report.

Meeting was closed at 4:45 pm

Recorder: Larry Heath
